

Congress of the United States
House of Representatives

CONGRESSMAN GREG CASAR
TEXAS 35TH DISTRICT

March 28, 2023

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Longhorn Dam Multimodal Improvements. City of Austin, Travis County, Texas, 35th Congressional District in fiscal year 2024. The entity to receive funding for this project is the City of Austin, located at 301 West Second Street, Austin TX 78701. The funding would be used for the design and construction of a bridge that will span just under a half-mile and create a north-to-south, dedicated bicycle and pedestrian connection on the east side of Lady Bird Lake. The project is an appropriate use of taxpayer funds because the Longhorn Dam Multimodal Improvements will provide safe and dedicated bicycle and pedestrian infrastructure in a low- and moderate-income, underserved area of Austin, providing safe and efficient non-vehicular access to jobs, services, and education.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Casar".

Congressman Greg Casar
Texas Congressional District 35
